Read-1

The desert

The desert is land with very little moisture .It is usually covered with sand . Most deserts are very dry and hot .It seldom rains on the desert . Sometimes years pass without rain.

During the day the land is very hot . After sunset the land cools quickly .By midnight the air is very cold .

Some plants grow on the desert .The most common plant is the cactus . It stores water inside . The cactus has thorns . These thorns protect the cactus from animals and people who want to take the water .

Many animals live on the desert . The best suited for this life is the camel . It can go the longest without food and water.

Read the story ,and underline the best answers for these questions:

1- deserts are lands with little

- a- sun
- b- moisture
- c- air

2- most deserts are covered with

- a- mud
- b- rocks
- c- sand

3-At midnight the air is

- a- cool
- b- hot
- c- warm.

4- what plant grows on the desert ?

- a- roses
- b- cactus
- c- pine tree.

5- which animal is best suited on the desert?

- a- horse
- b- camel
- c- giraffe
