The comparative of equality

We form the comparative of equality with :

As + adjective + as

eg : He is **as fat as** his mother .

This painting is **as valuable as** that one.

A lion is **as dangerous as** a tiger .

Two cities in the world

Sarah : What' s Pekin like ?
Chang : Well , it is a very big city .
Betsy : I think it is as big as New York City .
Chang : And as crowded and noisy .
Sarah : What about its population ?
Chang : It has a population of 17million inhabitants .
I suppose it is as populated as New York .
Sarah : Is it polluted ?
Chang : Yes , it is as polluted as, euh.....Mexico City.
