Subject	Information about my Country

Hello, Sam

I am so happy to give you some information about my country, Algeria. My country is great for the richness of its history and culture that can be discovered by visiting the different *Algerian* towns. We have amazing monuments: The Casabah of Algiers located in the capital city, Tassili of N’Ajjar paintings in the South and Amazigh Djeddar Tombs in the West . People from the entire world come to see Djemila and Timgad Roman Ruins in the East. My national currency is the Dinar. The Independence Day is on July the 5th . My national dish is Couscous. Please find attached pictures of some great monuments in Algeria. How about India?
