First term English Exam

Text

Hello, my name is Betty Smith. Let me tell you about my best childhood memories. When I was a child, I used to go to my grand parents' farm, every summer. All my cousins and I had wonderful moments there. I used to wait all the year for those days, we used to go to the river and play in the farm's yard. Grandma used to cook food on wooden stove. We ate delicious meals she made, all together around the table.

In the evening, we played hide and seek and climbed trees. At night, my grandpa used to tell us scary stories. We always went late to bed. I really miss those summer days...

Now, we have all grown up and unfortunately, we don't go to the farm anymore.
