Text

Nawel is an overweight girl. Her family and friends love her and want her to lose weight but she doesn't listen.

It is her best friend's birthday "Saliha", she decides to help her for the room decoration. Everything is going fine until Saliha's brother comes and calls Nawel "Fatty". Nawel feels very sad with tears in her eyes, she keeps crying and tells her sister « I am fat and ugly, everybody hates me ».

Her sister says to her : « Listen Nawel, If you want to lose weight, you should start with fitness activities and you shouldn't eat junk food everyday like pizza, sandwich, crisps.... You should eat proteins. You can get proteins from fish, meat, chicken, eggs, milk You shouldn't eat quickly, you should drink six to eight glasses of water every day. Follow a healthy diet; I am sure you will feel better! » .
