Hello, my name is Rose Garner. Let me tell you about my best childhood memories.

When I was a child, I used to go to my grandparents' farm in the country side, every summer. All my cousins and I had wonderful moments there. I used to wait all the year long for those days. We used to go to the river and play in the farm's yard.

Grandma and grandpa used to work indoors and outdoors. They used to raise some domestic animals, collect wood and fetch water from the river.

Grandma used to cook delicious food on stove. We used to gather in the evening to enjoy her tasty meals. Then, we sat by the fire listening to her lovely tales and stories.

Oh! How time flies. Now, that I am an adult I still think about those old happy days in my grandparents' farm.

They will stay in my heart for ever
