TextSuccessful career of a famous genius

Bill Gates is one of the most influential and richest men in the world. He is the chairman of Microsoft corporation, the worldwide leader in software. Bill Gates was born on October 28th 1955 in Seattle. He has two sisters Kirsty and Libby. His father is a lawyer and his mother is a teacher. When he was a child he loved reading and did very well at school.

Gates attended public elementary school and the private Lakeside school in which he discovered his interest in software and began programming computer at the age of 13.

Bill Gates married Melinda French in 1995 who had three children. Bill and Melinda began a charity organization in 1994. He left Microsoft in 2008 to devote his time to this humanitarian work. Because of his donation, he has received awards from both the British and the Mexican governments. Bill and Melinda are still doing charity work. Bill amassed a huge fortune, he became a billionaire in 1986, and within a decade his fortune had reached into the tens of billions of dollar; making him the world's richest private individual.
