Text:

Hello, my name is Peter. I am 13 years old. My father is an engineer and my mother is a teacher. I have got one sister. We live in a modern villa near the city center. It is very big. It has got two floors – a ground floor and a first floor.

On the ground floor there are a kitchen, a dining room and a living room . I really like our living room. It has a nice balcony you can see all the city from our window.

On the first floor there are three bedrooms, two bathrooms and a long corridor. Mom and Dad's bedroom is on the right. My sisters' room is in front of mine. I enjoy spending time in my bedroom. It is my favourite room. I have everything I need (TV, laptop, bedside table with a lamp and an alarm clock. There is also a wardrobe where I keep all my clothes and a small desk where I do my homework.

Today, we are all at home. My mum and Dad are sitting outside on the balcony. They are reading. My sister is in the kitchen. She is making lunch and I am playing video games in my room. I love my house because it is very comfortable and well organized.
