## English Exam/ Second Term

### Text

**Dr Emma:** Hi Elyes! What's wrong with you?

**Elyes:** Hello Doctor! I have an awful toothache and fever.

**Dr Emma:** How long have you had this pain?

**Elyes:** For about two days, and it really hurts.

**Dr Emma:** Open your mouth and let me check. Oh.. You have a bad tooth; do you eat a lot of sweets?

**Elyes:** I always buy candies and chocolate to eat them after school.

**Dr Emma:** It hurts more when you eat candies. You shouldn't eat too much sugary food and you shouldn't drink cold water. Brush your teeth two times a day.

**Elyes:** Absolutely doctor!

**Dr Emma:** Here is a prescription for you to take to the pharmacy. I prescribe for you syrup for fever and some pills to stop the pain.

**Elyes:** Thank you, doctor, Have a nice day.
