## Test of English

Read the following input carefully:

## Hello,

My name is Paola. When I was a child I was a very shy girl. My family and I lived in a small village in Oaxaca, Mexico. I remember my best friend at elementary school, Manuela. When we met she was eight years old and I was nine. She was a beautiful girl. She was tall and plumb with long wavy hair and big hazel eyes. We were in the same class at school. We sat together and always played in the break, we call it recreo here in Mexico. Her family was very nice and they lived near my house, so we spent a lot of time together. We watched cartoons on TV, we played games, and did our homework together. In summer we were together too, we went swimming in the river when the weather was hot, we played with our toys, and played video games a lot – our favorite game was Mario Bros.- I remember the day when she broke her leg, that day we were running and jumping in the hill. I remember also the day while she was sleeping on the soil and I was digging a hole, and suddenly a big black dog appeared and we started shouting and crying. I will never forget the time we spent together. I will never forget how careful, helpful, joyful and bountiful she was.

What about you? Can you tell me about your childhood memories?

Sincerely, Paola..
