

The First Term First Test of English

Year 1 Lit. Class 2

A/ Comprehension:

 **Read the text carefully then do the activities below:**

Dear Lamia,

I've been super excited to read your e-mail. I imagine you're enjoying a wonderful life over there in the fascinating city of Bouira. Now it's my turn to tell you a little bit about myself and my town. (§1)

Well, my full name is Jessica Holmes but my friends call me Jess. I'll turn seventeen next month. I'm a freshman student at Kennedy High School in New York with excellent marks in history and philosophy. Although these are my favorite subjects, I'm very fond of learning foreign languages. (§2)

On weekdays, I usually get up around 7 a.m. to prepare myself for school which is rather close to my house. Clearly I never use transport to go there. In the morning I generally walk my little brother Jimmy to his elementary school before I join my class. Classes here finish at 2 p.m. but for me they finish at 4 p.m. because after school I always study Spanish and German in a nearby private school. You can see that my life is extremely busy. (§3)

On weekends I hardly ever go out. I instead prefer to stay home helping my mum with housework and doing my homework. I also never forget to water the gorgeous flowers in our tiny garden. (§4)

New York is one of the vivid and most populated cities in the world. It's famous for its high towers that glow at night and its green, well-preserved parks such as the central park. My dad sometimes takes me and Jimmy there to enjoy the park's quietude, play and meet new friends. (§5)

That's all for now. Please don't hesitate to e-mail me back.

Jess

P.S. Find attached a nice photo of me and my family in central park.
