

Cheich Bouamama Secondary school

The third English Exam

Level: 2nd M/ME/TM/SC

Read the text carefully then do the following activities:

Saturday ,April 25th, 2015 at 11:41 local time(05:51GMT).A powerful earthquake measuring 7.9 Magnitude on the Richter scale struck 80Km the entire India and East of Nepal's second largest city Bokhara about half away between the town and the capital Kathmandu .The worst earthquake in 81years sent tremors through Bangladesh, China, Tibet and Mount Everest. Lasting approximately Twenty seconds and it was later followed by twenty aftershocks greater than 6.6 Magnitudes. "It was like being on a boat in heavy seas", Mr. Dixit said.

The death toll rises dramatically. A national police spokesman told the BBC that 6.260 people had died and more than 14000 had been injured. Nepali Information Minister said : "There had been a massive damage at the epicenter ". According to CNN: "The international airport in Kathmandu is shut down, buildings are down and roads are out". **The disaster** destroyed many historical landmarks, including the UNESCO world heritage temples , Dharara tower and many royal palaces. **It's** really a devastating quake since the Nepal's economy is heavily depend on tourism and Himalayan mountain climbing.

Several charities were assembling disaster teams based on the assumption that sanitation, shelter and medical help are urgently required. "Algeria made an initial pledge of \$1 million in disaster relief", Mustapha El Habiri stated. The British Red Cross already had an earthquake preparedness project and Christian aid has made an initial £50.000 to help the victims. French president Francois Holland said: "France is ready to respond to requests for help and assistance". Italy also has made available 30.000 Euros. Among other countries sending condolences were the United States, Mexico, India, Germany, Norway and Britain as their leaders had promised.
