The 1st exam of English- (3MS) Sequence 02

Text :

In the past, the way people lived was very different from the way in which we live nowadays.

In old times, people commonly used to live in simple houses with less electric appliances, most of the chores were done by hand. But now, there are more fancy items, robots and facilities.

In the past, people used to dress up in simple ways. Now, there are trend and stylish clothes. They consumed fresh, natural and healthy food. Today, they eat Burgers, Shawarma, Pizza and Pies.

Ways of entertainment changed a lot. Children amused to play with rag dolls, marbles, hopscotch. Today, they play video games, chess, monopoly and draughts.

Your English friend asked you about life in the past in your country Algeria. Write him an email to tell him about life in the past (houses, food, clothes, games, transport ... etc).

To : **Richard99@gmail.com**

Subject **Life in the past**

Hello dear friend,

Life in the past was different. People used to live in farmhouses, brick house and mud houses. They didn't have bathrooms or toilets inside.

People in the past used to wear traditional clothes like Burnous and El Hayek. They didn't use to buy new clothes. Ways of entertainment also were very simple but funny. They used to play with rag dolls made from old pieces of cloth. They didn't have technology.

For food, people used to consume fresh and natural food. They also used to eat traditional dishes like Kouskous or Chakhchoukha.

In old times, people used to travel by donkeys, camels and carts. It was really a hard life.

Yours faithfully,

Sara
