TEXT :

My name is Liz, I am twelve years old and I live in London, the capital of England. I live with my mother in a quiet little house in Hampstead Heath. There is only one bedroom in my house, so I share it with my mother. I love her very much, we are best friends. My house is small but very cozy. It is brownish with brown windows and black roof.

Upstairs, there is the bedroom, a corridor and the bathroom. In the bedroom we have a big bed, two bedside tables with a table lamp on them. We also have an armchair, a big rug on the floor and a picture on the wall.

Downstairs, there is a living room, a kitchen and the hall. There is no dining room so we eat our meals in the kitchen. The kitchen is quite large. There is a table in the center, cooker, fridge, cupboard and a dishwasher. Outside, we have a beautiful garden where I relax and play with my pet.

That's all about my house, what about yours?
