Dear friends..

Peace be upon you and Hello! My name is Yahia SINWAR. I am from Palestine and I live in Gaza city. I am going to describe my life for you.

I am a pupil like you, so I always go to school early in the morning. My friends like me because I am courageous, genius, sociable and serious. However, I am sometimes nervy.

On weekdays, I do many useful activities, I love helping my family members. I am also keen on reading books about history. I usually recite Quran and duaa. I can ride horses and solve math tasks but I can't sing and speak French.

At weekend, I always go to the Masdjid to memorize Quran and Fiqh. I like my teacher Ahmed YACINE because he is good, smart and generous. I am fan of learning English. I often listen to Radio to learn new English words. I never disrespect my teachers and friends. I love my country and I try hard to save it from tyranny.

I hope you liked my lifestyle, pray for us and pray for our freedom!
Yours Yahia

Subject	My Best Profile

Dear Yahia

Hello! My name is Ahmed. I'm from Ghilizane. I am a teacher at MEHDI Mohamed middle school.

People like me because I'm generous, sociable, kind and smart. I confess that I'm sometimes nervy and shy. I love drawing and designing logos. I'm also keen on practising jogging and lifting weight.

In everyday life, I always drive my bicycle to go to work. At lunchtime, I never eat fast food. I am interested in healthy food like brown bread and natural cream. I rarely eat sandwiches because they are full of fat and unhealthy calories.

I hope you liked my profile.

Yours Ahmed
