

**The second test of the first term at English**

Hello, friends !

I am Emilio from Peru. I'm 12 and I am a school boy. My school is a long way from home, about 2 kilometers. I go to school on foot. I can walk a long distance and I don't get tired. I can do a lot of more things.

I can skip with a rope for 10 minutes without a break. I can draw beautiful pictures. I can also make kites and fly them. I want to be a pilot when I grow up because I like travelling by plane. I'm not keen on reading books or writing, so I can't write short stories and poems. My father says that I am sociable, optimist, and ambitious, but a bit selfish.

On weekends, I sometimes go hiking in the mountains, I love walking in the fresh air and I am too respectful towards nature.

Waiting to hear from you soon.

Emilio
