

First term English test (2024/2025)

Class: 5ps.....

Full name:

A famous inventor

Hello kids, I am Dr Belkacem Haba! I am an inventor who loves to create new things that make computers and smartphones work better. I work with special tools like tiny machines, lasers and computers to build things that are small but very powerful. I use my imagination and science to solve problems and make technology faster and more fun to use. I hope to inspire kids like you to dream big and invent amazing things, too!.
