The Louvre museum

I heard a lot about the famous Mona Lisa painting and I was so excited to see it so I went with my father to the Louvre Museum. When we arrived there, I realized how big was the museum. It contained collections of paintings, sculptures, and other important works of art. My father told me that 15000 people visit the Louvre every day. He said that the Mona Lisa was painted in the 16th century by Leonardo da Vinci and I found it very realistic and beautiful. I enjoyed and learnt a lot about history that day.
