**I'm sick**

Hello! My name is zineb. Today I have to stay at home. I'm not feeling well. I have a fever and a runny nose. I also have a sore throat and I sneeze a lot. So, I went to see the doctor this morning. She said I have the flu and I need to stay in bed and rest. Then, she gave me some medicines. But, I'm sad because I can't meet my friends and I can't go to school and play football. In my

school, we have a big stadium where we do a lot of activities. We also have a big courtyard and a small playground. We have a lot of classrooms, a big library and a canteen where we eat delicious and healthy food. I miss my school. I wish I get well soon so I can go back to school.
